ONGOING LEARNING OPPORTUNITIES:

Colearn Kind Kids

Even the smallest acts of kindness can make a huge difference! We will learn about kindness, have activities and challenges for the kids to complete and share with one another.

Career Explorations

Each month we will feature particular career. Kids will learn about the process they took to prepare for the career and what a work day looks like.

Jr. Rangers

Let's go exploring as Jr. Rangers! We will feature various State and National Parks and learn live together from actual Park Rangers.

Discover Dairy

Learn where milk comes from & how dairy farms contribute to our world specific to upper grade level content. We will also get to know our own Colearn adopted cow!

Second Semester Monthly Themes:
